- Express

Experience

Assistant Executive Housekeeper   **10/2018 to 05/2021**
Hyatt Regency New Orleans   **New Orleans, LA**

With my co-managers ran department of 200 people in 1200 rooms hotel.

Did hiring interviews up to management level.

Day to day operation: meetings with the management, pre-shifts with the team, checked public areas, checked rooms, checked VIP arrivals, checked site visit rooms.

Handled any guest complains for both in-house guests and post stay surveys.

Presented housekeeping department in the meeting with clients.

Created par level system for the department inventory.

Went through 6 sigma process for housekeeping department and rebuild most of the SOPs.

Created new spreadsheets for productivity and inventories which saved time daily.

During my time as a manager: department have been nominated as a department of the year, first time in the history of the Hyatt Regency New Orleans department have met NPS(score) goal given by corporate.

Housekeeping Supervisor   **02/2018 to 10/2018**
Hyatt Regency New Orleans   **New Orleans, LA**

Starting from my second week (training time) have been placed as an MOD for PM shift.

Fully ran PM shift operation and handled guest complains.

Checked public areas and rooms (40 rooms on average).

Have been nominated as employee who contributed the most impact for success of the hotel.
